

PERMISSION REQUEST TO USE THE FAMCARE AND/OR FAMCARE-2

This permission request form is for the use of the FAMCARE and FAMCARE-2 scales developed by Professor Linda Kristjanson (Swinburne University, Victoria, Australia) and Professor Samar Aoun (Curtin University, Western Australia, Australia).

This form is to keep track of the use of the two tools by researchers and clinicians and the information will be held in confidence.

1. USER INFORMATION

Title (Mr/Ms/Mrs/Dr/Prof):

Name of researcher/clinician:

Position:

Name and full address of organisation:

Telephone (including codes):

Email:

2. INTENDED USE OF THE FAMCARE and/or FAMCARE-2

2a. Use for a research study/evaluation project

Name of research study/evaluation project:

Period of use of the FAMCARE and/or FAMCARE-2:

From (day/month/year):

To (day/month/year):

Please specify study design:

Method(s) of data collection:

Estimated sample size:

2b. Use in a practice organisation (implementation of the scale in practice)

Type of service provided:

Period of use of the FAMCARE and/or FAMCARE-2 :

From (day/month/year):

To (day/month/year):

Who will be using the FAMCARE and/or FAMCARE-2? (please indicate)

- Clinical Nurse Specialist
- Registered Nurse
- Medical officer
- Other Clinician
- Any other (please specify) -----

How will the FAMCARE and/or FAMCARE-2 be used? (please indicate)

- Home visits
- Telephone contacts
- Sent to carers to self-complete and return
- Any other use (please specify)

3. Translations

Do you wish to translate the questionnaire into another language?

- Yes, which language?-----

Please provide a copy of the translation upon completion. Sole responsibility for the accuracy of the translation rests with the translator.

- No

- Already translated, which language?-----

Please provide a copy of the translated scale with the completed permission form.

4. Acknowledgement in publications

Please cite for FAMCARE: Kristjanson, L.J. (1993). Validity and reliability testing of the FAMCARE Scale: measuring family satisfaction with advanced cancer care. *Social Science & Medicine*, 36 (5), 693-701.

Please cite for FAMCARE-2: Aoun S, Bird S, Kristjanson L, Currow D (2010). Reliability testing of the FAMCARE-2 Scale: measuring family carer satisfaction with palliative care. *Palliative Medicine*. 24 (7), 674-681.
